

FEUP-AED-project/Menu.h

```
graph BT; A[FEUP-AED-project/Menu.h] --> B[FEUP-AED-project/Menu.cpp]; A --> C[FEUP-AED-project/main.cpp];
```

The diagram illustrates the relationship between a header file and two source files. At the top, a grey rectangular box contains the text 'FEUP-AED-project/Menu.h'. Below this box, there are two white rectangular boxes. The left box contains 'FEUP-AED-project/Menu.cpp' and the right box contains 'FEUP-AED-project/main.cpp'. Two blue arrows point from the bottom of the left box and the bottom of the right box towards the bottom edge of the top box, indicating that both source files include the header file.

FEUP-AED-project/Menu.cpp
